NLFCU's Virtual Branch-Online Banking

The wait is finally over! We are excited to bring you online access to your NLFCU accounts! Beginning in July, you can view your account balance, loan balances and transfer funds to loans or savings/checking. If you have been to our website, then you know right where to find the Online Banking link. For those of you who aren't familiar, don't worry, it's nothing complicated.

First, you will need to know your Member Account Number. If you're not sure of your number, contact our office and we can give it to you. Next, log on to our website www.nlfcu.com. Click on our "Online Banking" tab at the top right side of the page. Then click on the "NLFCU Account Access" button and it will take you to our Virtual Branch page where you can enroll. On the left side of the page you will click on "Getting Started" and follow the prompts. You will need to create a Logon ID, Password & Security Phrase. Please keep this information safe. Once you have enrolled, you will have full access to your account information. If you have trouble with our Virtual Branch, contact our office and we'll be happy to assist you!

Don't get burned by ATM fees! Find an Allpoint ATM near you using their mobile app or visit the "Links" page at nlfcu.com and click on the Allpoint logo
